We would like to first thank you for considering supporting the Hubbard County Fair. The Shell Prairie Ag Association is a registered 501c3 run by a board of only 16 directors. We are thrilled to continue the tradition of bringing our county fair to reality for our community. Although event sales cover a portion of the expenses, they do not cover all the expenses required to produce the fair. We are seeking sponsors to help make the 2026 Hubbard County Fair a success. Sponsoring the fair is a great way to advertise your company and show your support for this community event.

We would love to count on your support and involve you in our fair. If you or your company/business would like to sponsor, please review and select a package on the attached sheet and mail it back to us with your payment! Please don't hesitate to reach out if you have any questions at all. We would appreciate your support by May 1, 2026.

Again, we thank you for your support and look forward to seeing you **July 14th-18th, 2026 at the Hubbard County Fair!** Thank you for your time.
